Trademark Security Agreement

This Trademark Security Agreement, dated as of December 30, 2020 (the “Trademark Security Agreement”), is entered into by INTELSAT INFLIGHT LLC (the “Pledgor”), in favor of INTELSAT US LLC, as Lender (the “Lender”).

WITNESSETH:

WHEREAS, the Pledgor is a party to the Promissory Note and Security Agreement dated as of November 30, 2020 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Security Agreement”) in favor of the Lender pursuant to which the Pledgor was required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor agrees as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Lender a security interest in and to all of its right, title and interest in, to and under all the following collateral of such Pledgor to the extent such collateral constitutes Collateral under the Security Agreement:

(a) Trademarks of such Pledgor listed on Schedule I attached hereto, *provided* that any “intent-to-use” Trademark which would be rendered invalid, unenforceable, or void by the grant of a security interest created pursuant to this Trademark Security Agreement is excluded from the foregoing security interests only for so long as the “intent-to-use” status of such Trademark continues; and

(b) all Proceeds of any and all of the foregoing.

SECTION 3. Security and Pledge Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Security Agreement and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

[signature page follows]

IN WITNESS WHEREOF, the Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

INTELSAT INFLIGHT LLC,
